**[PROPOSED] CASE MANAGEMENT ORDER**

WHEREAS, on October 26, 2004, the Judicial Panel on Multidistrict Litigation (the “Judicial Panel”) issued an order pursuant to 28 U.S.C. § 1407 transferring twenty-seven actions to the District of Massachusetts for coordinated or consolidated pre-trial proceedings;

WHEREAS, the Judicial Panel’s order of October 26, 2004 provided that the transferred cases be captioned *In re: Neurontin Marketing and Sales Practice Litigation* and be given the designation MDL 1629;

WHEREAS, the undersigned plaintiffs’ counsel represent that they have contacted all plaintiffs’ counsel, that they have discussed the efficient prosecution of this litigation, and that all counsel were invited to participate in the discussions;

WHEREAS, on November 23, 2004, this Court conducted an initial status conference during which, in part, the Court directed that the parties file a proposed order on or before December 15, 2004; and

WHEREAS, at the November 23, 2004, status conference, the Court also set forth certain dates for the filing of amended complaints, responsive pleadings, and further case management orders; and

WHEREAS, in order to promote judicial economy and avoid duplication, the Court finds that it would be appropriate to provide for consolidation and/or coordination of all actions filed, removed to, or transferred to this District and for an organization of Plaintiffs’ counsel to coordinate the efforts of counsel in these actions. Accordingly,

IT IS HEREBY ORDERED THAT the following Case Management Order shall govern all proceedings in this proceeding:

**I. PRETRIAL CONSOLIDATION AND/OR COORDINATION**

1. By order of the Judicial Panel, the purported class actions listed on Exhibit A have been transferred to this Court for coordinated pretrial proceedings. Additional cases, identified on Exhibit B, have been conditionally transferred by the Judicial Panel to this Court for coordinated pretrial proceedings. These cases and any other purported class action cases that are subsequently filed in, transferred to or removed to this proceeding are referred to as the “Class Action Cases.”

2. Actions, listed on Exhibit C, were filed against Defendants in this Court and include similar allegations as those made in the Class Action Cases. The cases listed on Exhibit C, referred to as the “Private Non-Class Cases,” shall be consolidated with the Master Docket herein and coordinated with the Class Action Cases for pretrial proceedings.

3. The Class Action Cases and the Private Non-Class Cases are referred to collectively as the MDL 1629 Cases.

4. This Order does not constitute a determination that the actions consolidated and/or coordinated for pretrial purposes should be consolidated for trial, nor does it have the effect of making any entity or person a party to any action in which he/she or it has not been named, served or added in accordance with the Federal Rules of Civil Procedure. No party, by agreeing to this Order, waives any defense of lack of personal jurisdiction or insufficiency of service of process.

**A. Applicability of Order**

The terms of this Order shall apply automatically to the MDL 1629 Cases and to all other cases that become a part of this proceeding by virtue of being filed in, removed to, or transferred

to this Court (including cases transferred pursuant to Local Rules 28 U.S.C. § 1404(a), or 28 U.S.C. § 1407). Any previous request to this Court by any plaintiff for entry of a case management and/or scheduling order is hereby superseded.

**B. Objections to Order**

Objections to the terms of this Order must be filed by parties or their counsel within fifteen (15) days of receipt of the Order.

**C. Dissemination of Order**

Within five (5) days of the date of this Order, Plaintiffs' Liaison Counsel (designated below) shall send a copy of this Order by overnight delivery, hand delivery or telecopy to all plaintiffs' counsel in all actions to which this Order applies. When an action that properly belongs as part of this proceeding is hereinafter filed before this Court or transferred or removed to this Court from another forum, Plaintiffs' Liaison Counsel shall immediately send a copy of this Order by overnight delivery, hand delivery, or telecopy to plaintiffs' counsel in that action.

**II. CASE IDENTIFICATION**

**A. Master Docket and Record**

For the convenience of the parties and the Court, the Clerk of this Court will maintain a master docket with a single docket number of Civil Action No. 04-10981 (the number for *Harden Manufacturing Corp. v. To the extent reasonably feasible, Plaintiffs' Steering Committee will coordinate with Mr. Thomas Greene in order to minimize any expense and burden to defendants of the reproduction of the materials set forth above.

### **B. Protective Order**

The parties will timely file a proposed protective order to govern the confidentiality of documents in connection with these consolidated proceedings.

### **C. Further Case Management.**

On or before January 25, 2005, the parties shall submit to the Court a proposed joint case management order relating to scheduling, discovery issues, and other case management matters. If the parties cannot agree as to one or more provisions relating to the proposed case management order, then the parties shall set forth alternative provisions in a single document for consideration by the Court.

On February 2, 2005, at 3:00 p.m., a case management conference will be conducted by the Court.

## **VIII. CLASS COUNSELS' TIME AND EXPENSE RECORDS**

### **A. Maintenance of Contemporaneous Records**

Any class counsel who may seek an award (or approval) of a fee (or expenses) by the Court in connection with this proceeding shall keep a daily record of his/her time spent and expenses incurred regarding this proceeding, including a specific record of the hours, location, and particular activity. The failure to maintain such records may be grounds for denying court-awarded attorneys' fees.

### **B. Filing**

Each class counsel (or each firm) who may seek an award (or approval) of a fee (or expenses) by the Court shall file quarterly with Class' Liaison Counsel a report summarizing according to each separate activity the time and reasonable and necessary expenses spent during the preceding quarter (and the ordinary billing rates of such attorneys in effect during such quarter) and the accumulated total of counsel's time, hourly rates, and expenses to date.
